Uniforms at Century Elementary

Century Elementary parents adopted uniforms at the September PTA meeting. At the beginning of the 2017-2018 school year, Century students will wear uniforms to support the STEAM program. STEAM seeks to provide a challenging learning environment which maximizes individual potential and ensures students are well-equipped to meet the challenges of 21st century.

Uniforms are worn at STEAM schools across the country to support the ideas of pride and professionalism and to remind students that our primary focus is on learning. At Century, we believe that the quality of work students produce at school is affected by their personal appearance.
